SPOTLIGHT

WELCOME TO AY 2024-25

As we embark on a new academic year, we are filled with excitement and anticipation for the journey ahead. This year promises to be one of growth, learning, and remarkable achievements. Our dedicated staff and enthusiastic students are ready to embrace new challenges and opportunities. We are thrilled to welcome 470 new students (girls and boys) in grade 6 across our school campuses and 20 girl students in grade 9 of our campus in Siddipet district, Telangana. We wish them all the best as they begin this transformative journey. We look forward to your continued support and collaboration as we strive to create an enriching and empowering educational experience. Together, we will shape bright futures and nurture the potential of every student.

Welcome to another inspiring year of Education and Excellence!

CELEBRATING SUCCESS; OUR STUDENTS SHINE IN FINAL EXAMS IN AY 2023-24

Dear Patrons,

We are delighted to share the outstanding academic achievements of our students in their final exams this year. Their hard work, dedication, and perseverance have yielded remarkable results, with many of our students excelling beyond expectations. This success is a testament to their commitment and the

unwavering support from our patrons, whose contributions have made a significant impact on their educational journey. Together, we are empowering these young minds to achieve their fullest potential and shaping a brighter future for them. **Thank you for your continued support and belief in our mission.**

OPENING DOORS TO EDUCATION: OUR THOUGHTFULLY DESIGNED ADMISSION PROCESS

The Vision of Each One Educate One Foundation is to create a world where every child has access to free-of-cost, quality, values-based, holistic education. To achieve this, admissions to the Sri Sathya Sai Loka Seva Gurukulam campuses prioritizes rural underprivileged children who would otherwise have no access to education. As we uphold our commitment to make quality education available and accessible to all, ensuring that no child is deprived of their right to learn and grow, our schools have devised a well-thought-out selection process.

Admission committees from our campuses visit the surrounding villages within a radius of approx. 100 - 150 kms of the campus location, to identify needy children from the poorest of the poor families. They invite their parents / guardians to visit the campus for an understanding & appreciation of our institutions, before admitting their children.

SOME CRITERIA USED TO SCREEN AND ADMIT NEEDY BENEFICIARIES ARE:

- Type of Accommodation (Rented/Owned, Kacca/Pucca)
- Basic Amenities (water, sanitation, electricity, cooking gas/fuel)
- Financial Condition (No. of Bank accounts, Loans, Asset holdings, Source of Income)
- Family Condition (No. of Dependents, Health-related issues, Physical handicap, No. of Earning Members) Nature of occupation
- Land holdings, assets etc.
- Verification through District Block Office / Village Panchayat records.

Through these steps, we aim to bridge the educational gap by providing an inclusive environment, where every child can thrive. Our approach is not just about imparting knowledge, but also about instilling values and life skills that will empower these children to become responsible and compassionate citizens.

Our commitment to free and holistic education is unwavering, and through our dedicated efforts, we strive to create a brighter future for every child, regardless of their socio-economic background.

TRANSFORMATIVE CARE: WELCOMING EVERY CHILD WITH A JOINING KIT

From the last academic year, through a unique and revolutionary initiative, our Founder Sri Madhusudan Sai launched the provision of standardized high quality joining kits comprising of 45 - 50 different essentials that every student would need for a comfortable and dignified living in the hostels.

Since then, every student – new or old, joins the institution with just a pair of clothes on them and everything else is provided by the institution – completely free-of-charges! This initiative has ensured equality and inclusiveness, instilling a sense of belonging in every student who lives and studies with us. This initiative underscores our commitment to provide quality education and 360° care without any financial burden to the parents allowing

every child to focus on their educational journey without concerns about basic necessities.

This innovative approach reflects our dedication to holistic education and the well-being of our students, aligning with our mission to empower and uplift every child who joins our institutions. Our goal is not just to educate but to ensure that every child feels equally valued, loved, and supported; laying the foundation for self-worth, self-confidence, and self-satisfaction.

According to a parent – “At our home, if our child asks for anything, we would tell him to wait for a few days as we will not be able to provide him the requirement immediately. But in this institution even before he asks, everything is provided with so much love and care.”

Packing of Joining Kit Essentials

The comprehensive kit contains essential items for both school and hostel life, encompassing the following categories:

STRENGTHENING ACADEMIC TIES: SSSUHE MoU WITH ROLLINS SCHOOL OF PUBLIC HEALTH

The Sri Sathya Sai University for Human Excellence and the Rollins School of Public Health, Emory University, USA sign an MoU to enhance collaboration through student/faculty exchange programs, joint research, and initiatives focusing on behavioural change in disadvantaged communities. This partnership aims to foster academic excellence, cultural exchange, and impactful contributions.

Rollins was ranked number 3 among accredited schools and programs of Public Health by U.S. News & World Report, and is one of two schools of public health founded in the past 50 years to be ranked in the top 12.

Rollins school of Public Health comprises six academic departments: Behavioural, Social, and Health Education Sciences; Biostatistics & Bioinformatics; Environmental Health; Epidemiology; Health Policy and Management; and Global Health; and hosts over two dozen Interdisciplinary Centers.

SSSUHE EXCELS AT 37TH INTER UNIVERSITY NATIONAL YOUTH FESTIVAL

We are delighted to announce that our students from Sri Sathya Sai University for Human Excellence (SSSUHE) achieved outstanding success at the 37th Inter University National Youth Festival held in Ludhiana, Punjab, from March 28th to April 1st, 2024. Our students proudly secured prizes in all the five categories they participated in, showcasing their excellent talent.

SSSUHE stands out as the only general university that, apart from imparting regular academic courses, also offers full-fledged

undergraduate and postgraduate courses in Performing Arts. Currently we have 42 students pursuing their higher education in Performing arts at our university. Our courses are designed to cultivate creativity, artistic expression, and cultural appreciation among our students. The recent accolades at the youth festival underscores the effectiveness of our School of Performing Arts.

Congratulations to our students for their remarkable achievements, bringing honour and recognition to SSSUHE on a national platform.

CELEBRATING EXCELLENCE

Sri Sathya Sai University for Human Excellence Recognized at ET Education Excellence Awards 2024

Sri Sathya Sai University for Human Excellence was awarded the Gold Winner in the category of 'Emerging Deemed/Private University' at the Economic Times Education Excellence Awards 2024. The Economic Times hosted the Annual Education Summit 2024 on 6th and 7th June at The Leela Ambience Convention Hotel, New Delhi. The summit focused on accelerating the vision of 'Vikasit Bharat' through education, encompassing a conference, expo, and awards ceremony.

The 'Economic Times Education Annual Education Awards' recognize excellence in areas such as innovation, impact, leadership, collaboration, and sustainability within the education sector. This award acknowledges a private university that has demonstrated significant growth, innovation, and impact in higher education since its establishment, with

Vice-Chancellor Prof. Srikanta Murthy K and Registrar Dr. D Hanumanth Rao Naidu receiving the 'Excellence Award'

eligibility requiring universities to have been founded after March 2019. Criteria include academic excellence, research contributions, industry partnerships, student achievements, community engagement, and potential for future growth and success.

Sri Sathya Sai Loka Seva Gurukulam Group of Institutions Honoured as 'Best School Chain of the Year'

Sri Sathya Sai Loka Seva Gurukulam Group of Institutions has achieved a remarkable feat by being recognised as the 'Best School Chain of the Year' at the prestigious FE India Education Awards 2024. The awards ceremony, organised by the Financial Express, a leading media publication in India, took place in Delhi and was graced by the presence of eminent educationists & policymakers from across the nation. The FE India Education Awards 2024 aims to acknowledge and celebrate schools, institutions, educators, and corporate entities that have gone above and beyond in their dedication to delivering quality education,

promoting innovation, and shaping the leaders of tomorrow.

UPDATE FROM THE CAMPUSES

GREENING OUR FUTURE: WORLD ENVIRONMENT DAY 2024

Our campuses joyously celebrated World Environment Day, on 5th June 2024 underscoring our steadfast commitment to environmental stewardship and sustainability, aligning closely with the United Nations Sustainable Development Goals (SDGs) of 'Affordable and clean energy' and 'Climate action.' Activities throughout the day included tree plantation and community cleanliness drives furthering the vision of a *Swachh and Vikasit Bharat*.

Through these activities, our students gain valuable insights about the importance of conserving and augmenting our natural resources to reduce the carbon footprint. Students in our institutions are always encouraged to prioritize sustainable and environment friendly practices, reflecting our dedication to cultivating a generation of environmentally conscious global citizens.

COMMITMENT TO HOLISTIC WELL-BEING: WORLD YOGA DAY 2024

Yoga is an integral part of our students' daily routine, reflecting the profound importance we place on yoga and mental well-being within our education eco system. Each day begins with a dedicated yoga session, helping our students cultivate physical strength, mental clarity, and emotional balance. This practice fosters a holistic approach to education, ensuring that our students are not only academically proficient but also well-rounded individuals. World Yoga Day on June 21st every year, serves as a special occasion to underscore our unwavering commitment to this philosophy. On this day, our entire community came together to celebrate the transformative power of yoga, reinforcing our dedication to nurturing well-rounded and resilient students.

EDUCATION FOR TRANSFORMATION

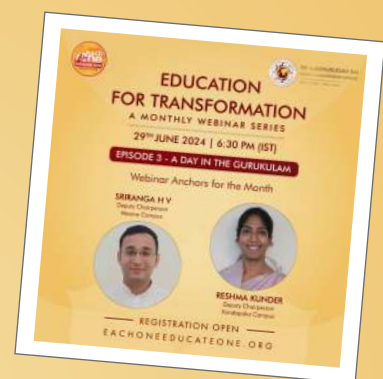

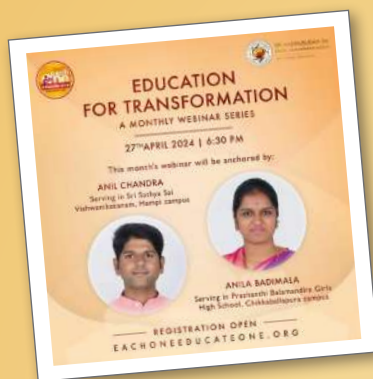

EDUCATION FOR TRANSFORMATION

A MONTHLY WEBINAR SERIES

SRI MADHUSUDAN SAI
GLOBAL HUMANITARIAN MISSION
ONE WORLD - ONE FAMILY

E1E1 Foundation's monthly webinar series – Education for Transformation, showcasing various aspects of our transformative education model was launched in April 2024. The inaugural episode comprehensively captured the Admission process followed in Sri Sathya Sai Loka Seva Gurukulam. The second and third episodes covered the ‘Joining Kit’ initiative and ‘A day in the student’s life at our Gurukualm’ respectively. These webinars are held on the last Saturday of every month via the Zoom platform.

Each webinar is anchored by our young leaders, who are our beneficiaries from schooling to university education and have chosen to take up gainful employment in our institutions not just for a livelihood but more importantly to pay it forward by serving and

empowering more and more needy children from rural India studying in our institutions. ‘From being hand held to holding hands’ encapsulates their journey and commitment to giving back to their rural societies, and the fruition of our vision of capacity building in the rural education landscape. In addition to our young and dynamic anchors, these webinars also include senior functionaries who provide in-depth insights into different aspects of our education model, underpinning our unique and innovative approach to education; the Indian way!

We invite you to join us for these enlightening sessions. Please visit www.eachoneeducateone.org to participate in our upcoming monthly webinars and discover how we are shaping the future of education.
